

## Decontamination Legislation, Standards & Guidance Training Programme

**Duration:** 1 Day

**Venue:** Customer's own site

**Programme Dates:** Specific to Customer Sites (through individual customer choice)

**Accreditation Status:** City & Guilds

**Assessment Method:** End of Training Programme Test

***"Staff are trained in cleaning and decontamination processes and hold appropriate competences for their role."***

***Ref: UK Health and Social Care Act***

### **The Training Programme Covers:**

All of the important aspects of current International, European and UK legislation, standards and guidance compliance are covered within this one day programme. The programme is intended for all levels of decontamination staff i.e. Trainees, Technicians, Senior Technicians, Supervisors and Managers at all levels. It allows all delegates to have in-depth knowledge and understanding on how the compliance requirements impact on their day to day work and how it effects their contributions to patient safety.

### **Previous Delegate Comments:**

***"I am very happy with the training, I learnt a lot and now understand a lot more about the laws and Health & Safety procedures involved in my job"***

***"Very interesting, I am pleased to know more about SSD Quality Systems, Standards, Legislation and Guidance Documents"***
