

## Decontamination Quality System Training Programme

**City & Guilds** | Accredited  
Programme

**Duration:** 1 Day

**Venue:** Customer's own site

**Programme Dates:** Specific to Customer Sites (through individual customer choice)

**Accreditation Status:** City & Guilds

**Assessment Method:** End of Training Programme Test

*“Staff are trained in cleaning and decontamination processes and hold appropriate competences for their role.”*

**Ref:** UK Health and Social Care Act

### **The Training Programme Covers:**

All of the current Quality Management System requirements for decontamination service provision are covered within this one day programme. Delegates will have an improved knowledge and understanding of the current standards (ISO's, EN's and BS's) applicable and relevant to Quality Management Systems. The programme is intended for decontamination professionals at all levels and will confirm their important position and contributions to patient safety.

### **Previous Delegate Comments:**

*“Confident, patient teacher made this an enjoyable course in a friendly atmosphere”*
